Jet-It-Together™ Offers a Faster Way to Get On the Course  
*Share Affordable, Convenient Private Jet Trips To  
Golf Resorts and Leisure Communities*

(Essex, CT, March 16, 2010)...Jet-It-Together [www.jet-it-together.com](http://www.jet-it-together.com), the online community where members share private jet travel by matching their itineraries with other members, is a great option for traveling to great resorts and golf courses that may be difficult to reach by commercial air travel. Jet-It-Together members experience a range of benefits including significant cost savings as compared to traditional private jet travel and the ability to control their own travel schedules.

Whether members go for the season or choose to spend a few days relaxing in Florida, the Carolinas, or Arizona, Jet-It-Together lets them have a better experience reaching those areas that may be under served by commercial carriers. For all travelers it is a great way to be in control of your travel schedule, and for those traveling for a limited time, traveling with Jet-It-Together allows them to maximize their time on the ground.

Joining Jet-It-Together does not include having to make a large upfront financial commitment nor paying an annual membership fee. Jet-It-Together members belong are part of as rapidly growing online community where they can initiate trips that will be listed for other members to join, become part of other members' trips, and have access to hundreds of special deals that are updated weekly. Members are only responsible for their share of a trip once it is booked and you have agreed to the cost.

Travel between Virginia and New York, Las Vegas and Scottsdale, Chicago and Aspen, and Florida and New York, are among the many trips that are posted at [www.jet-it-together.com](http://www.jet-it-together.com) for members to join. Once members post a trip and confirm their travel details, Jet-It-Together representatives will negotiate with pre-approved operators for the most competitive prices available for the requested travel.
